## HHS Film Club

### Permission Form

Movie Club at Howell High School is a unique opportunity for those students who have an interest in the art of cinema. Participants in Movie Club will be exposed to independent, classic, and foreign cinema, as well as some standard movie fare. A major design of the club is that it offers an opportunity for students to see great films that they may have always wanted to see but lack the time or access.

“Meetings” of the club often consist of a short introduction of the upcoming film, viewing the film, and then reacting/discussing such various aspects of cinema as writing, acting, special effects, pacing, cinematography, character development, etc. Students who attend Movie Club often leave with a new appreciation of cinema and learn how to “study” movies, rather than simply watch them. Students and parents are encouraged to stay connected and up to date with the club by visiting our HHS Movie Club blog at [www.wix.com/hhsmovieclub](http://www.wix.com/hhsmovieclub). Here students can post responses to discussions and other students’ reactions to current films viewed by the club. Also, upcoming films will be posted here so parents and students will have an idea about which films will be viewed next. Membership is not based on any form of attendance. Students may come to films that interest them and choose not to attend those that do not.

All films that we watch will have an MPAA rating of PG-13 or below. This form is an opportunity for you to give permission for your child to participate in Movie Club. If you ever have any questions about specific films, please feel free to contact me.

HHS Movie Club meets weekly **Mondays from 2:30-4:30 pm in Room 119 at the Freshman Campus**. Some seasonal films may be shown on different days. I am in attendance at all meetings.

Please return the bottom portion of this sheet after completion.

If possible, I like to have movie club view the previous year’s best picture winner. Last year’s winner was *12 Years a Slave*, which was rated R for violence, language, and disturbing subject matter. This film does have some tremendous merit for discussion in a school setting. Please check the appropriate box next to the statement that you agree with and sign below:

☐ I give permission for my child to view *12 Years a Slave* with the Howell High School Movie Club

☐ I do not give permission for my child to view *12 Years a Slave* with the Howell High School Movie Club.
